

SAVE THE DATE – ANNOUNCEMENT

U. S. DROUGHT MONITOR WORKSHOP: FORECASTING, MONITORING AND RESPONDING TO DROUGHT IN THE SOUTHEAST

Join specialists from the National Drought Mitigation Center, NOAA, the USDA, along with State Climatologists and regional experts for this one-and-a-half-day workshop to learn about and discuss:

- The U.S. Drought Monitor
- Drought Tools and Resources
- USDA Programs and the Drought Monitor
- Current conditions and seasonal forecasts
- Ways to monitor and report precipitation data and drought impacts

Dates: February 4 – 5, 2020

Location: South Carolina State Farmers Market
3483 Charleston Hwy, West Columbia, SC 29172

This is a free workshop, but space is limited to 100 participants. Lunch will be provided so registration is required. Register at the National Drought Mitigation Center's website:
